

ADAPTIVE SKILL BUILDING: Availability for Sessions

As in the example below, please use an arrow to indicate when your family is regularly available for ASB sessions during the School Year and Summer. Please note that your service provider will need as much flexibility as possible in order to meet the minimum number of required hours (i.e., 6 hrs per week). Therefore, it is important to provide *all* of your availability, not just what is most convenient. Also, please be aware that although we are asking for your availability across all days of the week, and all hours of the day, your assigned agency may have restrictions on when they are available to render services. (If you need assistance completing this form, call the ASB program: 1-800-270-1861.)
