

We are excited you will
be coming to
Camp Rising Sun!

Camp Rising Sun is a summer camp for
kids with Autism and kids without
Autism.

Some kids will come to
KIDS' camp from June 2nd to June 6th and
the older kids will come to
TEEN camp from June 23rd to June 27th

Camp is a place kids go for 5 days and 4 nights to have fun.

- This means you will get to spend the night in a cabin and maybe sleep outside in a tent or a tipi.

If it's hard to sleep in an new place you
can:

- Bring a special pillow or blanket to use
- Bring a book to read
- Bring a flash light
- Or bring a stuffed animal

There will be people at camp to help you fall
asleep.

At camp we eat most of our meals in the lodge. This is a big room with lots of tables and chairs. We eat stuff like pizza, chicken nuggets, spaghetti, and salad. If you have special food that is your favorite, your parents can send it to camp.

These are pictures of some of the
activities we may get to do at
KIDS' camp this summer:

These are pictures of some of the
activities we may get to do at
TEEN camp this summer:

Some of these activities may be new
and you may feel scared to give them a
try
so you can:

- Take a deep breath
- Ask for some help
- Watch others go first

At Camp Rising Sun you will meet lots
of people who will help you:

- Try new things
- Be OK with change
- Be with a friend
- And have FUN

We will be waiting for you at
Camp Rising Sun
