<tr>
<td>- Fixating on the human face and tracking or following movements presented at 9 to 12 inches from the face</td>
<td>- Beginning to reach for objects</td>
<td>- Producing different cries for different reasons</td>
</tr>
<tr>
<td>- Turning their head and eyes in the direction of the parent voice</td>
<td>- Observing hands and fingers</td>
<td>- Beginning to reach for objects</td>
</tr>
<tr>
<td>- Being comforted and appearing to enjoy touch and being held by a familiar adult</td>
<td>- Looking to place on body where being touched</td>
<td>- Rolling over in one direction</td>
</tr>
<tr>
<td>- Anticipating being lifted or fed and moving body toward adult when being approached</td>
<td>- Clasping hands together and exploring fingers</td>
<td>- Sitting independently with minimal assistance</td>
</tr>
<tr>
<td>- Smiling spontaneously to human contact, smiling in play, and smiling at self in mirror</td>
<td>- Trying to cause things to happen such as kicking a mobile and smiling</td>
<td>- Bringing hands together at midline</td>
</tr>
<tr>
<td>- Initiating and terminating social interactions</td>
<td>- Squeezing a rubber toy and showing pleasure</td>
<td>- Rooting reflex; turns mouth toward hand rubbing cheek</td>
</tr>
<tr>
<td>- Enjoying games with others such as “Where is your nose?” and “So Big!”</td>
<td>- Dropping a ball and observing the fall</td>
<td>- Expressing displeasure when clothes are pulled over head</td>
</tr>
<tr>
<td>- Vocalizing in response to babbling behavior, vocalizations and speech produced by an adult</td>
<td>- Developing more precise imitation skills of facial movements and speech sounds</td>
<td>- Enjoying bath; keeps eyes open and indicates pleasure when placed in warm water</td>
</tr>
<tr>
<td></td>
<td>- Securing an object that is partially hidden with a cloth</td>
<td>- Walking reflex; when held upright with feet resting on flat surface, lifts feet alternately in walking-like motion</td>
</tr>
<tr>
<td></td>
<td>- Repeating arm movements to keep a toy activated, keep mom singing, or other causal event</td>
<td>- Lifting and rotating head</td>
</tr>
<tr>
<td></td>
<td>- Demonstrating exploratory behaviors with objects</td>
<td>- Holding small objects or toys</td>
</tr>
</tbody>
</table>
**Outcome 1:**
Positive Social-Emotional Skills
Children demonstrate age appropriate functioning by.....

7 - 12 Months
- Imitating familiar words in turn-taking
- Smiling and laughing during turn-taking
- Participating in simple games (pat-a-cake, peek-a-boo)
- Demonstrating anticipation of play activities
- Showing sensitivity to the mood of others
- Performing for social attention
- Participating in speech routine games
- Exhibiting anxious behavior around unfamiliar adults
- Using gestures and vocalizing to protest
- Shouting or vocalizing to gain attention
- Responding to a request of "come here"
- Stopping when name is called
- Maintaining attention to speaker
- Responding with gesture to "come up" or "want up"
- Waving in response to "bye-bye"
- Saying "mama" or "dada" meaningfully
- Using a word to call a person
- Pushing or pulling an adult's hand to have a behavior instigated or repeated
- Repeating a behavior (shows off) to maintain adult attention
- Showing attachment to favorite toy or blanket
- Expressing two or more emotions (pleasure, fear, sadness)
- Briefly stopping behavior when told "no"

**Outcome 2:**
Acquiring and Using Knowledge and Skills
Children demonstrate age appropriate functioning by.....

7 - 12 Months
- Visually attending to an object for five seconds
- Following an auditory stimulus
- Reaching for and grasping blocks or other small toys
- Transferring objects from one hand to another
- Reaching for objects while in a prone position
- Demonstrating a refined neat-pincer grasp with thumb opposition
- Pointing with index finger
- Imitating behaviors initiated by caregiver including: playing peek-a-boo; smiling and laughing during turn-taking; or attempting to name pictures and objects
- Banging blocks and other small toys
- Repeatedly throwing or dropping objects to watch the movement
- Stirring with a spoon in a cup
- Banging spoon on inverted cup or tabletop
- Demonstrating emerging problem solving skills such as: placing objects in the mouth and mouthing; pushing or pulling adult's hands to have a behavior instigated or repeated; turning a mirror or picture over to view the functional side; rotating three-dimensional objects to view the functional side; using a hammer or stick to play a xylophone
- Singing along with a familiar song
- Using gesture and/or vocalizing to protest
- Shouting or vocalizing to gain attention
- Responding to a request to "come here"
- Maintaining attention to speaker
- Responding with gesture to "come up" or "want up"
- Waving in response to "bye-bye"

**Outcome 3:**
Taking Appropriate Action to Meet Needs
Children demonstrate age appropriate functioning by.....

7 - 12 Months
- Pulling self to standing posture next to furniture
- Cruising around furniture
- Drinking from a cup
- Beginning to pick up cup and take a few swallows when thirsty
- Beginning to feed self finger foods
- Beginning to grab for spoon when being fed
- Moving 3 or more feet by crawling
- Bringing self to a sitting position when lying on back
- Reaching for and grasping blocks or other small toys
- Transferring objects from one hand to another
- Reaching for objects while in a prone position
- Demonstrating a refined neat-pincer grasp with thumb opposition
- Pointing with index finger
- Moving body to music
- Pulling off own socks
- Beginning to cooperate when being dressed
- Fussing when diaper needs to be changed
- Saying “mama” or “dada” meaningfully
- Imitating consonant and vowel combinations
- Imitating non-speech sounds
- Vocalizing with intent frequently
- Using a word to call a person
- Giving objects upon verbal request
- Performing a routine activity upon verbal request
- Looking at familiar objects and people when named
- Understanding simple questions
- Identifying two body parts on self
- Demonstrating intense attention to adult language

<tr>
<td>25 - 30 Months</td>
<td>25 - 30 Months</td>
<td>25 - 30 Months</td>
</tr>
<tr>
<td>- Having difficulty sharing with peers</td>
<td>- Liking to take things apart and put them together again (puzzles, toys)</td>
<td>- Holding spoon, scooping food and bringing to mouth with spilling</td>
</tr>
<tr>
<td>- Being apt to snatch, push, kick, rather than give and take in polite fashion</td>
<td>- Following caregiver around the house and copying domestic activities in simultaneous play</td>
<td>- Playing on outdoor play structures (climbing, sliding)</td>
</tr>
<tr>
<td>- Throwing tantrums when frustrated</td>
<td>- Identifying boy or girl in picture book</td>
<td>- Removing unfastened garments</td>
</tr>
<tr>
<td>- Showing facial expression and behavior indicating pty, shame and modesty</td>
<td>- Adding sounds to action (“Vroom” for trucks, talks to teddy bears)</td>
<td>- Taking off own shoes, socks, and some pants</td>
</tr>
<tr>
<td>- Being restless, rebellious and very active at times</td>
<td>- Making doll/toy act on self as though capable of performing actions independent of child (placing brush in doll’s hand, then moving the doll’s arms as if doll is combing hair)</td>
<td>- Putting on socks, coat, and shirt</td>
</tr>
<tr>
<td>- Becoming resistant and dawdling at times</td>
<td>- Communicating about the actions of others</td>
<td>- Knowing which faucet is hot and cold</td>
</tr>
<tr>
<td>- Obeying adult request approximately half of the time</td>
<td>- Answering simple “who,” “what,” “where,” questions about familiar people or things</td>
<td>- Trying to wash self</td>
</tr>
<tr>
<td>- Wanting to do favorite activities over and over again</td>
<td>- Asking increasing numbers of questions (“where?” “who?”)</td>
<td>- Unscrewing lid on small (1”) jar or bottle</td>
</tr>
<tr>
<td>- Continuing to try a difficult task for a brief period of time (building with blocks for 3 to 5 minutes)</td>
<td>- Understanding negatives (no, not, can’t, don’t)</td>
<td>- Opening door by turning handle</td>
</tr>
<tr>
<td>- Insisting on some choices</td>
<td>- Formulating negative judgments (“spoon, not fork”)</td>
<td>- Turning knob to open doors or turn on objects (radio, TV, stereo)</td>
</tr>
<tr>
<td>- Seeking and accepting assistance when encountering difficulties</td>
<td>- Naming at least one color correctly</td>
<td>- Sitting on riding toys and pushing with feet; may ride tricycle</td>
</tr>
<tr>
<td>- Inventing new uses for everyday materials with assistance (banging on pots and pans, using a box for a house)</td>
<td>- Adding information to the prior utterance of a communicative partner</td>
<td>- Swinging leg to kick a stationary ball</td>
</tr>
<tr>
<td>- Approaching tasks experimentally, adapting as the activity evolves</td>
<td>- Understanding simple possessive forms (daddy’s shirt)</td>
<td>- Expressing likes and dislikes; may be a fussy eater</td>
</tr>
<tr>
<td>- Displaying understanding of how objects work together (gets the dustpan when adult is sweeping the floor)</td>
<td>- Understanding complex sentences (“When we get to the store, I’ll buy you an ice cream cone.”)</td>
<td>- Helping clean up; putting things away</td>
</tr>
<tr>
<td>- Substituting similar objects (uses boxes for blocks)</td>
<td>- Pointing to smaller parts of the body when asked (chin, elbow)</td>
<td>- Imitating circular, vertical and horizontal strokes</td>
</tr>
<tr>
<td>- Realizing that behaviors can precede events (If mom takes things out of the refrigerator and turns on the stove; she is going to cook lunch)</td>
<td>- Recognizing and identifying general family names, categories (grandma, uncle)</td>
<td>- Stacking 6 to 7 blocks when building</td>
</tr>
<tr>
<td>- Separating from parent in familiar surroundings without crying</td>
<td>- Understanding common verbs and adjectives</td>
<td>- Walking up steps, alternating feet while holding rail or hand for support</td>
</tr>
<tr>
<td>- Attempting to comfort others in distress</td>
<td>- Understands 500 words, says 200 words</td>
<td>- Snipping paper with scissors</td>
</tr>
<tr>
<td></td>
<td></td>
<td>- Recognizing the names and pictures of most common objects</td>
</tr>
<tr>
<td></td>
<td></td>
<td>- Understanding word association through functional association (“What do you drink with?” “What do you sleep on?” “What do you brush your teeth with?”)</td>
</tr>
<tr>
<td></td>
<td></td>
<td>- Catching ball (by trapping against body) when playing with adult or peer</td>
</tr>
</tbody>
</table>
- Understanding size differences (little doll, large dog)
- Following directions involving common prepositions (in, on, behind, out)
- Enjoying finger plays (songs and games that use hands)
- Reciting portions of rhymes/finger plays
- Responding to action words by performing the action
- Responding by looking when directed toward a certain object
- Attempting to locate objects when they are discussed by others
- Speaking in 2 or 3 word sentences; jargon and echolalia are almost gone
- Often using personal pronouns (I, you, he, it, me) correctly
- Using regular plurals (cats, dogs, balls)
- Using morphemes (in, on)
- Correctly producing phonemes (-s, -d, -k, f, -l, -ng, y)
- Saying “No!” to adult request
- Using concept “mine” to denote possessiveness
- Repeating adult phrases
- Recounting an event, with assistance
- Beginning to recall parts of a previously heard story
- Requesting to hear familiar stories
- Changing intonation and tone to communicate meaning
- Using non-verbal gestures and body language to express needs and feelings (hugs, hands on hips, etc)
- Addressing listener appropriately to get attention (uses child’s or adult’s name to get attention)
- Using sound effects for animals, vehicles, etc in play
- Understanding “one” – “all” (“Give me one block.”)
- Matching an object to a picture
- Matching simple shapes such as circle, square and triangle

<tr>
<td>- Observing other children at play; may join in for a few minutes</td>
<td>- Understanding concepts of “mine” and “his/hers”</td>
<td>- Using a fork to spear bite sized chunks of food</td>
</tr>
<tr>
<td>- Playing well with two or three children in group; associative play predominates</td>
<td>- Telling gender when asked</td>
<td>- Hopping in place on one foot three times without losing balance</td>
</tr>
<tr>
<td>- Showing interest in other children</td>
<td>- Sometimes labeling and talking about own drawings when asked</td>
<td>- Standing on one foot for three seconds</td>
</tr>
<tr>
<td>- Having difficulty sharing</td>
<td>- Giving first and last name when asked</td>
<td>- Jumping over a string or other object that is two inches high</td>
</tr>
<tr>
<td>- Displaying affection for caregivers</td>
<td>- Understanding common verbs (run, jump, walk)</td>
<td>- Showing daytime control of toileting needs with occasional accidents</td>
</tr>
<tr>
<td>- Separating easily from parent or caregiver in familiar environment</td>
<td>- Using several verb forms correctly in relating action in pictures</td>
<td>- Verbalizing toilet needs fairly consistently</td>
</tr>
<tr>
<td>- Showing facial expressions and behaviors indicating pity, shame, modesty</td>
<td>- Understanding and using common prepositions (under, in front of, behind)</td>
<td>- Following basic health practices when reminded (washing and drying hands, brushing teeth)</td>
</tr>
<tr>
<td>- Sometimes being restless, rebellious, very active</td>
<td>- Understanding common adjectives of color, size, and shape</td>
<td>- Screwing lid on jar</td>
</tr>
<tr>
<td>- Becoming resistant, dawdles</td>
<td>- Carrying out three simple commands given at one time</td>
<td>- Unbuttoning buttons</td>
</tr>
<tr>
<td>- Throwing tantrums when thwarted or unable to express urgent needs</td>
<td>- Showing interest in explanations that involve “why” and “how”</td>
<td>- Separating easily from mother in familiar environment</td>
</tr>
<tr>
<td>- Objecting to major changes in routines</td>
<td>- Relating experiences from recent past</td>
<td>- Following simple rules</td>
</tr>
<tr>
<td>- Imitating adults and playmates</td>
<td>- Using 4 to 6 word phrases or sentences</td>
<td>- Getting a drink from a fountain</td>
</tr>
<tr>
<td>- Using toys in appropriate ways</td>
<td>- Making negative statements (“Can’t open it,” “Don’t touch”)</td>
<td>- Cutting paper from one side to opposite side</td>
</tr>
<tr>
<td>- Verbalizing play plan for assigned role (“I am mother,” “You be baby,” “I cook,” “You watch TV”)</td>
<td>- Beginning to use contractions (can’t, we’ll, won’t)</td>
<td>- Discriminating shapes by tactile discrimination</td>
</tr>
<tr>
<td>- Verbalizing play plan and using pretend props which are identified for benefit of adult (“This is our house (box)”)</td>
<td>- Using noun phrase with an article (“The dog barks,” “The water hot”)</td>
<td>- Walking upstairs alternating feet</td>
</tr>
<tr>
<td>- Following simple rules</td>
<td>- Beginning to use auxiliary verbs (“I hafta sleep,” “We gonna get it”)</td>
<td>- Walking downstairs four steps without support, placing both feet on each step</td>
</tr>
<tr>
<td>- Taking turns in games</td>
<td>- Using the present progressive adding “ing” to verbs</td>
<td>- Enjoying projects that involve paint, scissors and glue</td>
</tr>
<tr>
<td>- Understanding concepts of “mine” and “his/hers”</td>
<td>- Using some plural forms correctly in speech</td>
<td></td>
</tr>
<tr>
<td>• Relating an experience today to one that happened in the past (brushing teeth before bed, washing hands before eating a meal)</td>
<td>• Using contractible auxiliary (&quot;Mommy’s eating an apple.&quot;)</td>
<td></td>
</tr>
<tr>
<td>---</td>
<td>---</td>
<td></td>
</tr>
<tr>
<td>• Saying “please” and “thank you” when reminded</td>
<td>• Dictating a story for adult to write out</td>
<td></td>
</tr>
<tr>
<td>• Stating whether they are a boy or a girl</td>
<td>• Performing multi-step tasks (takes money, rings cash register, puts money in drawer when playing)</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• Beginning to use inductive reasoning (if you do this, that happens)</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• Expressing understanding of cause and effect (it’s quiet because you turned off the music)</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• Copying a circle</td>
<td></td>
</tr>
<tr>
<td></td>

<td></td>
</tr>
</tbody>
</table>
### Outcome 1: Positive Social-Emotional Skills
Children demonstrate age appropriate functioning by:

**37 - 48 Months**
- Demonstrating body spatial awareness in relationship to stationary objects
- Participating in movement games such as “Red Light, Green Light,” “Ring Around the Rosie,” “Follow the Leader,” “Freeze Tag,” where children can run and stop or change direction while in motion
- Responding to and making a verbal greeting
- Delivering simple messages
- Changing tone of voice and sentence structure to match listener’s level of understanding
- Enjoying playing alone, but near other children
- Beginning to show cooperative play without adult supervision
- Enjoying playing with other children briefly, but still may not cooperate or share well
- Demonstrating fears (mechanical toys, vacuum cleaner, thunder, dark)
- Wanting to be “big girl”, “big boy”, and acquire new skills
- Answering the question, “Are you a boy or a girl?” correctly
- Identifying feelings, likes and dislikes, but may not be able to explain why
- Communicating emotions to peers in an appropriate manner
- Describing self, using several basic characteristics (first and last name, gender, age, family, talents)
- Generally obeying adult requests
- Understanding another’s perspective
- Accepting suggestions and follows simple directions
- Managing transitions
- Connecting consequences to a specific behavior, but may not understand why the behavior warrants the consequence
- Accepting the consequences of one’s own actions

### Outcome 2: Acquiring and Using Knowledge and Skills
Children demonstrate age appropriate functioning by:

**37 - 48 Months**
- Drawing a person with head and three additional features
- Relaying simple messages
- Connecting consequences to a specific behavior, but may not understand why the behavior warrants the consequence
- Using multiple strategies to solve problems
- Asking for help from other sources when solving social and/or cognitive problems
- Referring more frequently to the activities of others
- Referring more frequently to objects and events removed in time
- Elaborating and expanding other’s utterances
- Asking questions about persons and things
- Verbalizing opposite analogies
- Completing simple analogies (We eat with a ___, We sleep on a ___)
- Following three step commands given in a complex sentence
- Comprehending congruent and incongruent tasks (“Can you stand up and sit down at the same time?”)
- Understanding temporal terms (before and after)
- Understanding time terms “now, soon, later”
- Understanding prepositions in temporal expressions (in a week, after awhile)
- Understanding concept of more
- Listening attentively to short stories; enjoying familiar stories told without any changes in words
- Recognizing everyday sounds
- Selecting specific details in a story and repeats them
- Responding to questions with appropriate answers
- Gaining information through listening

### Outcome 3: Taking Appropriate Action to Meet Needs
Children demonstrate age appropriate functioning by:

**37 - 48 Months**
- Unscrewing cap off bottle
- Using the toilet with some help (many boys may not be ready for toilet learning until 3½)
- Sleeping through most nights without wetting the bed (occasional accidents are still quite common)
- Exploring a variety of movements (pulling, crawling, catching balls, throwing bean bags, waving scarves, kicking balls)
- Using tools appropriately (wooden hammers, spoon and fork, scissors, crayons, markers, pencils)
- Buttoning one button or snap
- Performing tasks using more refined and dexterous motions (buttoning, zipping, attempts tying shoes)
- Walking upstairs and downstairs alternating feet without holding on to rail
- Demonstrating body spatial awareness in relationship to stationary objects
- Changing tone of voice and sentence structure to match listener’s level of understanding
- Accepting suggestions and follows simple directions
- Feeding self with spoon and small fork, spilling very little
- Buttering bread with small knife
- Pouring milk and juice with little assistance
- Getting a drink from a faucet without assistance
- Hanging clothing on hook
- Putting on boots and mittens
- Washing hands and face without assistance
- Wiring nose, unassisted
- Brushing teeth independently
- Using vertical, horizontal, and circular motions when drawing
- Peeling and steering small tricycle
- Kicking a large ball

</tbody>
</table>
- Pretending to write following natural progression of left to right, top to bottom
- Beginning to make real letters
- Copying letters of first name and symbols
- Giving 3, 5, 7 objects upon request
- Recognizing number symbols
- Extending patterns of objects or pictures
- Naming small, medium and large ("What size is this?")
- Rote counting objects to ten
- Understanding concepts of more, less, add, take away
- Arranging different colored blocks according to teacher design
- Classifying numbers
- Beginning to understand simple logical problems
- Making comparisons among objects
- Demonstrating an awareness that different families practice different traditions
- Enjoying stories, poems about different people
- Demonstrating an awareness of rules
- Using objects such as cash registers and other occupational tools to role play various occupations
- Placing common household objects in the appropriate rooms of a house
- Describing why it is important to keep passageways clear of clutter
- Using a computer software program to complete a learning activity
- Using a CD player or tape player to listen to songs or stories
- Asking questions about persons and things
- Elaborating and expanding on others' utterances
- Sequencing a story using at least three pictures
- Following prepositional directions on/around/over/under
- Pointing to shoulder, heel, hand, neck, arms, elbow, knee, chin, legs
- Naming mouth, eye, ear, nose and fingers
- Demonstrating understanding of when and why
- Following 3 to 4 directions given at one time and carried out over time
- Retelling an experience
- Responding appropriately (verbally) to requests made by adults
- Calling teachers and peers by name
- Using at least 5 to 6 word sentences
- Using "I," "me," "you," "mine"
- Telling age, middle name, last name, parent's name, address, phone number, birthday, days of week
- Asking definitions of words
- Asking questions about people and things
- Using regular plurals, past tense, -ing verbs and possessives
- Labeling items when group name is given ("What are some toys?")
- Using trial and error to experiment with a variety of solutions
- Following through on a task until completed
- Repeating number and word groupings modeled by the teacher
- Recalling object placement, missing parts and identifies added object
- Matching, pointing to and naming 6 to 8 colors

</thead>
<tbody>
<tr>
<td>Children demonstrate age appropriate functioning by.....</td>
</tr>
<tr>
<td>61 - 72 Months</td>
</tr>
</tbody>
</table>
- Recognizing that there are "good" and "bad" touches |
- Balancing his own needs with the needs of others |
- Responding verbally and positively to good fortunes of others |
- Having a best friend/group of friends |
- Interacting with familiar adults |
- Separating and reuniting appropriately from primary family member |
- Independently completing a project |
- Naming feelings (happy, sad, angry, surprised, worried, fearful) |
- Demonstrating tenderness and protectiveness toward younger children and pets |
- Predicting classroom routines and guiding other children in routines |
- Solving conflicts by using thinking skills |
- Conforming to adult ideas |
- Participating in pretend reading activities with other children |
- Modifying activities when new ideas are presented |
- Working alone at chore for 20 to 30 minutes |
- Expressing anger with non-aggressive words rather than with physical actions |
- Comforting friends in distress |
- Expressing feelings using appropriate words |

<tbody>
<tr>
<td>Children demonstrate age appropriate functioning by.....</td>
</tr>
<tr>
<td>61 - 72 Months</td>
</tr>
</tbody>
</table>
- Progressing from using scribbles to shapes and pictures that represent more detailed ideas |
- Solving conflicts by using thinking skills |
- Telling similarities and differences |
- Predicting what will happen next |
- Knowing what to do in unfamiliar situations (emergencies) |
- Pointing out common words in stories |
- Discriminating middle sounds in words (cup, cap) |
- Articulating the middle sounds in words |
- Naming the sound spoken /mm/, /tt/, /bb/ "monkey, many, moon money - These words start with what sound?"
- Clapping syllables in their name |
- Identifying beginning sound of name and/or familiar words and find another with the same sound, ("My name is Mary, his name is Blatt. They both begin with /mm/.") |
- Identifying most letter sounds |
- Recognizing most letters |
- Naming most letters |
- Using letters that represent sounds in writing words (phonetic spelling) |
- Recalling single words from single presentation (stop sign) |
- Predicting what will happen in a story |
- Accurately relating familiar story |
- Attending while being read to for more than ten minutes |
- Stringing invented words together leaving spaces between words |
- Printing name |
- Printing various letters of the alphabet and symbols |
- Making up patterns with objects |

</tbody>
</table>
- Obeying traffic lights and signs |
- Covering mouth and nose when coughing/sneezing |
- Brushing teeth following good dental hygiene procedures |
- Understanding that it is unsafe to accept rides, food or money from strangers |
- Recognizing that there are "good" and "bad" touches |
- Running smoothly with changes in speed |
- Cutting soft food with knife |
- Assisting in food preparation requiring mixing and cooking |
- Making simple breakfast and lunch |
- Selects clothing appropriate for temperature and occasion |
- Requiring minimal supervision and help with dressing and undressing |
- Bathing without assistance |
- Selecting own clothes |
- Being responsible for one household chore |
- Making own bed when asked |
- Using imagination and inventiveness to create novel experiences |
- Skipping on alternating feet, maintaining balance |
- Demonstrating the ability to look ahead and visualize a solution |
- Writing to communicate |
- Drawing a person with six recognizable parts |
- Making number comparisons between groupings of concrete objects ("This is one, this is three.")
- Matching numbers with objects
- Understanding concepts of greater than, fewer, equal to
- Knowing sums to five
- Subtracting from five
- Understanding and using analogies (hot/cold, fast/slow, short/long, thin/fat)
- Identifying and describing sameness and differences of objects
- Sorting objects according to two or more attributes
- Asking and answering questions about size, measurement, comparison
- Creating own set of instructions using amount, ingredients and equipment
- Demonstrating beginning awareness of state and country
- Demonstrating initial understanding of how people rely on each other to obtain goods and services
- Describing different community jobs
- Creating by folding, cutting, drawing, models of circles, squares, triangles and rectangles using various materials
- Understanding that most natural events occur in consistent patterns
- Describing patterns of structure and function in living things
- Describing how different technologies affect people’s lives (telephone, computer, TV)
- Using more abstract, logical thinking
- Sequencing a story using four or more pictures
- Demonstrating knowledge of numerous finger plays
- Following complex directions given at one time that may be carried out over time
- Pointing to and naming hip, waist, toenails, chest, eyebrows, jaw, stomach, fingernails, back, wrist, cheek
- Sorting pictures/objects with multiple elements
- Telling own/city, state, months, current year
- Using compound sentences connected with *and* or *or*
- Maintaining conversations using multiple verbal turn-taking
- Explaining rules of game or activity
- Labeling a group with no pictures ("What are cookies, hamburgers and carrots?")
- Giving function of a group with no pictures ("What are coats, shirts and pants for?")
- Using expanded length (more than six words) and complex sentences
- Using irregular verbs and comparative forms of words
- Using he, she, our, they, during conversation
- Matching, pointing to and naming 8 to 10 colors
- Anticipating events showing an understanding of time concepts (morning, afternoon, tonight, today, tomorrow, yesterday, last night)
- Demonstrating knowledge of how objects come apart and fit together
- Repeating number and word groupings as modeled by the teacher
- Recalling object placement, missing parts and identifies added objects and shapes
