TIPS FOR VISITING A SOCIAL SECURITY OFFICE:

- 1) Make an Appointment** - Without an appointment, there will most likely be a long wait. Call the national toll-free phone number **1-800-772-1213** or a local office number, between 7am and 7pm, Monday through Friday. It is recommended to call as early as possible or after 6pm to set up an appointment. For deaf or hard of hearing, call the toll-free TTY number, **1-800-325-0778**, between 7am and 7pm Monday through Friday.
- 2) Bring Necessary Documentation** - When on the phone with the representative, make sure to ask what information is needed for the appointment so that the applicant has all documents required for applying for Social Security benefits at the appointment. Some documents that may be needed are a US birth certificate, US passport, Social Security card, driver's license or ID card.
- 3) Bring a List of Questions** - This will make it easier to get all of the information needed during the allotted appointment time. Make sure all questions get answered.
- 4) Go Online** to www.ssa.gov to apply for some benefits, sign up for direct deposit, replace a Medicare card, change an address, estimate future payments and more.
- 5) Visit the Social Security Office Locator** website at secure.ssa.gov/ICON/main.jsp
