Community Members

*Positive Partnerships*

The Partners in Policymaking®

#### Program is about

- « Becoming an Advocate or Leader «
- « The Value of Inclusion «
- « Empowerment and Self-Determination «
- « Creating Positive Change «

#### Partners in Policymaking®

A national leadership training program that offers an educational opportunity to learn the most current information about disability issues. The program helps to develop the skills necessary for effective advocacy to influence public policy at all levels of government.

Attend virtual sessions from September 2020 to April 2021. Participants will be selected through an **application process**.

Cost of training & materials are waived for those selected to attend.

#### TOPICS INCLUDE:

History	Conflict Resolution
People First Language	Community Organizing
Inclusive Education and Lifelong Learning	State Legislation
Independent Living	Federal Legislation
Supported and Creative Employment	Working with the Media
